EQUINE SPORTS & REMEDIAL MASSAGE DIPLOMA COURSE

This five-day intensive course is designed for qualified Human Sports, Remedial or Holistic Massage Therapists, Physiotherapists, Chiropractors & Osteopaths or for people with an Equine Sports Science Degree & an in-depth knowledge of Equine Anatomy. Other relevant qualifications may be considered, so please feel free to ask. The course is taught on a **one-to-one** basis, followed by detailed case studies for a period of three (min) to six months (max). Students are required to have good knowledge and experience of various equine disciplines and have a dedication to succeed.

The course will cover topics such as Equine Anatomy & Physiology, Diagnostic Testing, Massage Techniques & Contraindications, Trigger/Pressure Point Work, Soft Tissue Release as well as Pre & Post Competition Massage and Passive Stretching & Mobilising Routines. Ethics, Hygiene and Marketing are also discussed throughout the duration of the course.

Students will be expected to study and produce typed essays on Equine Anatomy including Skin, Muscular, Skeletal, Respiratory, Circulatory, Digestive and Lymphatic Systems before commencement of the course. These essays will form part of the final portfolio. During the initial five days there will be continued practical hands-on experience including a days field work, this will be invaluable to the successful completion of the course. On the final day students will be expected to complete **2½-hours** of written papers together with a **Practical Diagnostic Assessment**.

After these initial study days, a comprehensive portfolio should be produced within three-six months for final assessment. The final assessment will be carried out at the chosen training venue, although this venue is subject to change. You will also be required to produce a 3-5000 word 'Case Study Report' outlining, in detail, one of your chosen case studies. During your final assessment, your portfolio will be discussed & a full practical examination will take place in order for you to be awarded the Equi-Therapy UK Diploma in Equine Sports & Remedial Massage Therapy. Your portfolio will be kept for evaluation and, upon satisfactory completion; you will receive the UK Rural Skills Certificate of Achievement along with your Equi-Therapy UK Certificate of Grading, in order of merit. Your portfolio will be returned to you via recorded mail for you to keep along with your Assessment Feedback Forms.
