CANINE MASSAGE for THERAPISTS

Wednesday 9th July 2025

This workshop has been designed as CPD training for Equi-Therapy UK Graduates and any other **fully qualified** Equine Therapist, Osteopath, Chiropractor or Physiotherapist only. Not suitable for dog owners.

The course will be very practical and concentrate mainly on:

- Canine Anatomy & Physiology
- Diagnostics (same as the Equine PTD & SP's)
- Massage Application
- Joint Mobilisation
- Stretching Techniques
- Hints & Tips for Rehab.

There will be plenty of hands-on practise throughout the day & you do not need to bring your own dog as we have plenty to use at the training venue.

The training will be carried out at, **Brooklands Farm, Ashbourne Lane, Kirk Langley, Ashbourne, Derbyshire, DE6 4NJ**. The cost of this course is **£155.00** inclusive of a CPD certificate of attendance and handouts.

Students will be expected to provide their own lunch but liquid refreshments will be freely available all day.

The course has a maximum intake of **6** participants to ensure the quality of the teaching and maximise learning potential.

Please Note:

This workshop is designed for Equine Therapists & Bodyworkers only & will in no way qualify you as a recognised Canine Massage Therapist.
